Beste collega ECP-houder (en niet-ECP houder),

Volgens de EAP statuten is de Belgische koepelorganisatie verantwoordelijk voor het Belgische ECP-register en dient zij haar ledenlijst en *CPD** controles door te geven aan de EAP.

Het Bestuursorgaan van de ABP-BVP heeft dan ook, in haar laatste Algemene Vergadering, beslist om haar leden, systematisch en chronologisch, te auditeren op hun *CPD* (Continuous Professional Development) ten belope van 50 u. per jaar. Deze 50 u. kunnen worden verzameld uit:

2. Professional supervision for psychotherapy practice/clinical/group work and peer supervision (Please indicate this on a separate sheet with name of supervisor/institute, hours of supervision, and the total of number of hours).
3. Psychotherapy conference / symposium attendance (Please list title, date and organisation for each on a separate sheet and indicate number of hours of session time attended in each.Please attach copies of all conference attendance certificates).
4. Professional activities in psychotherapy.(Being elected to a Board or a Committee and attending meetings. Please indicate organisation, dates of committee/board meetings, and number of formal hours of each meeting.)
5. Participation in extra psychotherapy training as a supervisor/researcher/teacher.
6. Self-experience/therapy in one of the modalities recognized by EAP (Please list the name/s of the therapist/s, duration of the therapy, frequency of sessions and total number of obtained hours of self-experience/therapy)

CPD hours should not consist of more than 30% from any one listed CPD category.
CPD should be checked every 3 to 5 years by the NAO which maintains the national register of ECP holders. Each NAO remains in charge of determining the exact number of years for re/checking CPD within the given period of 3 to 5 years.

De controle zal plaatsvinden door de ABP-BVP op basis van uw documenten die u heeft geüpload in uw persoonlijk profiel op de site van de ABP-BVP. De individuele controle zal plaatsvinden maximum om de 3 jaren en zal worden gefactureerd als ***acrreditatie*** **ten bedrage van 50 €** (fiscaal inbrengbaar).

Gelieve uw documenten zo spoedig mogelijk te uploaden in uw profiel.

Probeer om alles in één pdf te zetten**.**

NIET-ECP houders: gelieve ook een kopie van uw therapieopleiding te uploaden.

Indien u geauditeerd bent, ontvangt u van ons een accreditatiebewijs.
